

At Bravadobe we aim to produce life time friends for family, obedience and show. With every litter, we strive to improve the breed in areas of conformation, health and temperament and as such we line breed where appropriate, utilize proven sires within Australia that compliment and strengthen our lines, import semen from other countries to improve in areas of health and purchase dogs from overseas after years of research to gain access to other attributes we are seeking for the betterment of the breed... always with the thought of making forward progress with our breeding program.

We don't believe in charging exorbitant amounts for either pet or show quality animals and this has allowed us to be very selective in choosing the best homes for our puppies. In the majority of instances, all puppies are sold well in advance and have found homes in all parts of Australia and overseas. Whether you are interested in a well-bred family companion, a sound Dobermann to participate in dog sports or a serious show dog, we welcome your enquiry to see if we can assist you with your individual requirements.

One of our up and coming litters is by our outgoing and head turning youngster Carter "Australian Supreme Champion Parima Ghost Rider At Bravadobe (AI) IMP NZ" to Taboo "Bravadobe Take A Good Look." We are extremely excited about this union of two exceptional examples of the breed which is the culmination of some of Australia, New Zealand and America's top lines. We are expecting a litter of both black/rust and brown/rust puppies with excellent even temperaments, good bone and beautiful fluid movement.

Carter has already achieved so much at an early age, obtaining his Australian Championship title at 9 months with numerous runner up best in groups and over 48 classes in group and in show to his name by the age of 12 months. Carter finished 2014 with the following awards from Dogz Online; #1 Rising Star All Breeds - Western Australia; #1 Dobermann Show Dog Of The Year - Western Australia (#4 Nationally); #1 Rising Star Utility Group - Western Australia (#2 Nationally) and #1 Rising Star Dobermann - Western Australia (#2 Nationally). In 2015 Carter went on to win multiple all breeds best in shows and specialty best in show under both Australian and international Dobermann specialists and became the youngest Dobermann in WA history to obtain a Supreme Championship title. Now at 3.5 years of age he has amassed 19 all breeds best in shows and 1 Dobermann specialty best in show, was crowned the winner of the WAKC Contest of Winners. We were also thrilled to have Carter's amazing show career recognised at the 2016 Canine Association of WA AGM, were he was also awarded Dogs West Top Show Dog of the Year for 2015/2016 and finished the year being WA's NUMBER ONE All Breeds Dog (ALL SYSTEMS) as well as Australia's No. 1 Dobermann Breed Challenge Winner (DOLPS) and Australia's No. 1 Dobermann Breed Tournament Winner (DNA). Carter has had an amazing start to 2017, as he represented WA as the #1 dog at the Top Dog Australia Grand Final held in Canberra and was awarded runner up best dog in the country by a panel of international judges. On the 25th of March 2017, Carter created history when he was awarded Winner of Winners at the 2016 Contest of Winners event, being the only dog to win this award two years in succession. Our boy is an outgoing boy with a bubbly and loving personality and his pedigree represents some of the best dogs in America including his stunning father Damien, "Grand Champion Cambria's Omen" who we had the pleasure of meeting at the Doberman Pinscher Club of America National.

Taboo "Bravadobe Take A Good Look" is a well-balanced, strong boned black/rust girl with an outgoing and cheeky nature. Sired by multi best in group winner Atelier "Champion Bravadobe Oh Yes I Can WAC" out of Savvy "Supreme Champion Bravadobe Achtung Baby" ET, this sassy girl has got a pedigree of some of our finest dogs behind her. She was retired from the show ring due to personal circumstances and placed in a loving pet home at 12 months of age and lives a spoilt life of luxury with the Spiccia family, only returning to Bravadobe for this single litter.

This litter is the culmination over nearly 20 years of planning and breeding and we are eager to see the results of this union.
